Kia Ora Whanau

This week has been Maori Language Week.

Classes have been doing a variety of activities around this and speaking Te Reo in a variety of ways.

It is great to finally have a full week at school. Walking around the school and visiting the classrooms children have settled well back into school routines very quickly.

It is great to see all the children playing with their friends again and reconnecting with everyone showing the school TIPS.

If a person has ugly thoughts, it begins to show on the face. And when that person has ugly thoughts every day, every week, every year, the face gets uglier and uglier until it gets so ugly you can hardly bear to look at it.

A person who has good thoughts cannot ever be ugly. You can have a wonky nose and a crooked mouth and a double chin and stick-out teeth, but if you have good thoughts they will shine out of your face like sunbeams and you will always look lovely.

The TIPS for Term 3 are:

**Participate:**

Cooperate  
Share/Care  
Include others

Staff have been focused on reconnecting with their classes, resetting their routines and expectations and ensuring teaching and learning is paramount (without external distractions). Thank you to everyone for sticking to the Level 2 requirements. Hopefully we will be back to Level 1 very soon.

**Ski Trip – Friday, 24 September**

**ACTION: If there are any changes to the information we have for our initial Ski Day, please let Jennifer know on Monday morning.**

[jennifer.thompson@cust.school.nz](mailto:jennifer.thompson@cust.school.nz)

There will be communication early next week regarding the organisation and process of the actual day.

**PAYMENT:**

Please note: this trip falls into the “optional” items that the school provides as an enhancement to the curriculum for which the school does not receive funding from the Ministry of Education and **for which the school can require payment before a student can participate in the activity or access the item.**

Participation in these activities is optional and **schools can enforce payment in order for a child to participate.**

**If you are going please ensure you pay the full amount to the school account asap**

School's bank account number is 03 1592 0074218 00 (Reference Ski Day).

**Fish and Chips**

On Thursday, 23 September is our final fish chips order for the year. Get those orders into the office by Thursday 9:00 am for a yummy treat.

Kia pai to wiki (Have a great weekend)

## **SCHOOL PHOTOS**

Photos were taken on Thursday. Look out for your child's unique photo keycode that they will bring home a couple of weeks after Photo Day.

Use your unique photo keycode to view your child's photos at [www.photolife.co.nz](http://www.photolife.co.nz) Without this code you cannot see your child's photos.

Orders placed before the free delivery expiry date will be bulk printed and delivered to the school for your child to bring home, otherwise a \$6 postage and packing charge is automatically applied.

# Concerns and Complaints Process

Most concerns can be resolved informally by discussions with the people concerned.

This flowchart aligns with the school's Concerns and Complaints policy and procedures.

## Behaviour Management

Our school provides a safe physical and emotional environment for students and staff.

Cust School is a PB4L school. PB4L stands for Positive Behaviour for Learning and is a positive, proactive, schoolwide organisational framework for behaviour and discipline.

Managing behaviour relies on consistently applying both our school's behaviour plan and strategies to promote positive student behaviour. We also expect high standards of conduct from our school community, which includes modelling good behaviour for students.

At Cust School:

- Staff, including relievers, coaches, and tutors etc, maintain positive learning environments and relationships with students.
- We make a clear statement of acceptable and unacceptable behaviour known to all staff, parents, and students.
- All members of the school, including the students themselves, have a responsibility to recognise bullying and to take action when they are aware of it happening.
- We consistently apply our behaviour management strategies in all cases of unacceptable behaviour, and endeavour to maintain the dignity of the student at all times.

- Staff manage challenging behaviour and use de-escalation techniques if a student's behaviour is becoming out of control and/or poses a danger to themselves or others. Physical restraint is used only in an emergency situation, and only according to our physical restraint guidelines.
- The school follows the procedures outlined by the Ministry of Education for the stand-down, suspension, or exclusion of students, in cases of extreme and persistent behaviour.
- Individual programmes and strategies for students with particular behaviour difficulties are devised with parents and staff, and outside agencies if necessary, and these students may be dealt with outside the school's behaviour plan.
- Seclusion and corporal punishment are not used at this school.

See our [\*\*Positive Behaviour for Learning plan\*\*](#) for more information.

### **Parents' concerns about student behaviour**

If a parent has a concern about an incident at school, the parent should contact the school and the school will deal with the concern. The school believes that parents should not approach other students or parents about school behaviour incidents. This also applies to incidents that occur out of school time or off school grounds but when students are still connected with the school e.g. at EOTC events, while wearing school uniform, or travelling to and from school.
