

TERM 4

CONNECT – YOURSELF: COURAGE

Courage is the ability to do something that frightens you.

What does courage look like?

Moral courage is the courage to stand up for what is right when a person or group of people are being treated unfairly. Moral courage is the outward expression of our personal values and beliefs.

Disciplined courage is the ability to remain focused and unwavering in light of setbacks or failures.

With disciplined courage, you stay true to your vision and the impact you want to make on the world, community, or self.

Intellectual courage is the ability to recognise our individual limits in thinking and be open to new ideas and understandings based on new experiences and learning.

Empathetic courage is the courage to put aside our own assumptions and stereotypes and listen to another's perspective. This opens us up to feel deeply for others and to learn from their experiences.

CONNECT – COMMUNITY: Cust School Agricultural Day

Our Agricultural Day is scheduled for **29 October**. This is on Friday of Week 2 in Term 4.

If your child is taking an agricultural animal (a lamb, calf, kid, piglet, poultry or pony), please use the following link to enter. You will need to fill in a separate form for each child in your family.

https://docs.google.com/forms/d/e/1FAIpQLScvfnHUOrt6MiW8IDhoaOYRMSErwZtvV4hCTyX2NptORe9Cbw/viewform?usp=sf_link

If your child is entering an animal, we would love them to complete a written project. We look forward to seeing these by **Friday 22 October** so that they can be marked prior to Ag Day. Feel free to come and have a look in the office at some past projects if you would like some ideas on what these can look like.

As this is an agricultural-focused event, dogs, cats, and rabbits etc cannot be entered. There will be a range of craft entries (e.g. vegetable animals, cake decorating etc) available for those students that do not have appropriate animals to enter. More information about these will be forthcoming.

Please don't hesitate to ask me any questions via email or in person.

Nga mihi nui,
Miriam Bell

Please check the Cust School Website Calendar for up to date Term 4 events

HATS – as part of our uniform policy, and to keep the children safe, it is compulsory that the children wear a hat for Term 4. Please ensure your child has the appropriate hat, and it is named.

Navy full brimmed hats must be worn by all students when outside in Terms 1 and 4. (Bucket style acceptable)
