FROM THE PRINCIPAL'S DESK

**BE INSPIRED
TO
BE YOUR BEST**

**SELF-MOTIVATED, POSITIVE AND RESPONSIVE CITIZENS
MANAAKITANGA
RESPECT, GENEROSITY AND CARE FOR OTHERS.**

Behaviour is learned and serves a specific purpose.

Kia ora,

Cust School Behaviour Statement of Purpose: At Cust School we are all responsible for developing a safe, respectful and inclusive community to support our quality learning environment.

Background:

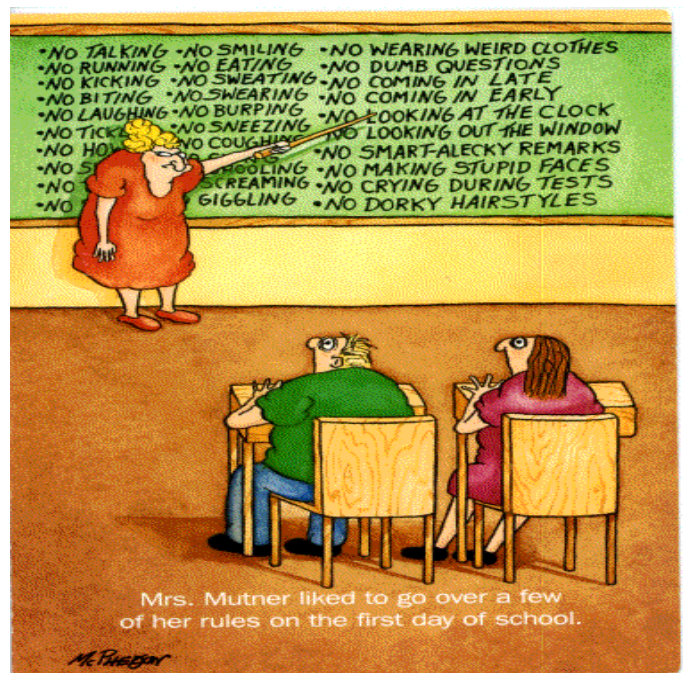

A Positive Behaviour for Learning (PB4L) programme helps parents, whānau, teachers, and schools address problem behaviour, improve children's well-being, and increase educational achievement.

By strengthening relationships and creating more positive home and school environments we remove barriers to engagement and improve students' chances to achieve at school and beyond.

It's not about changing the students; it's about changing the environment, systems and practices we have in place to support them to make positive behaviour choices

**Don't Just
Tell Them
What Not
To Do...**

**...Teach Them
What You
Want Them To Do Instead!**

As we continue to practise our musical, we have also had our Year 7 and 8 teams, in football, hockey and netball compete at the Canterbury Winter Tournament and our Year 6 and Year 7/8 EPro8 teams compete in the semi-finals of their respective engineering competitions.

The sports teams competed very well, against much bigger schools and the Year 7/8 engineering finished mid field in their semifinal, completing some very challenging activities. The Year 6 team competed this morning in their semifinal.

While our children weren't successful in placings, it is always a pleasure to take our children to these events (and we get comments from others) as they are respectful, polite and good sports. We can be very proud of these children and the reputation they bring to our school.

SAFE CYCLING ON FOOTPATHS

According to the New Zealand Road Code, cyclists are only allowed on footpaths if they're delivering newspapers, mail or leaflets. Given the number and type of cars/trucks parked and using the Main Road, some people believe that cycling on the footpath is safer than cycling on the road.

One significant danger that arises from cycling on footpaths is the risk of being hit by a car pulling out of a driveway.

There have been a couple of near misses along the foot path by vehicles coming out of driveways between the Cust Hotel and the Cust Service Centre from bicycles travelling fast. Please remind your child(ren) of the safe cycling practices suggested below.

- Take care when approaching all driveways or corners – drivers are not usually expecting anyone to be moving faster than a pedestrian.
- Take care when approaching pedestrians – slow down, ring your bell before you get to them, give them lots of space, pass with caution and respect.

- To do this we will be asking the school to provide your child's name, address and your contact information.
- The dental therapist will not only be checking the children's teeth but will also Xray, clean, and apply protective treatments fluoride and or Fissure sealants (coating put on teeth to prevent decay) if required.
- If your child requires further dental care such as fillings they will bring home a 'Care Plan' which will explain what dental care and appointment times are required
- When you receive the 'Care Plan' please contact our **Call Centre as soon as possible** as you will need to arrange a time to bring your child to one of our Community Clinics for this dental care

COMMUNITY NOTICES

BIBLE IN SCHOOLS - Cust School

Just a reminder to folk who would like their children to be part of the Bible in School programme at Cust School. These run on a Wednesday for the Junior Class (Year 1-4) and on a Thursday for the Senior Class (Year 5-8) at lunchtimes from 12.30-1pm. Note the senior class alternates each week between a Bible Story one week, and sushi making the next week which is sold at lunch time. The alternate week involves the students coming to school each second Thursday at 8am to make sushi ready for sale at lunch time. Funds raised for this work go to charity.

If your child is interested in taking part in this programme, kindly send a note to Mr Schuyt at Cust School authorising this activity for your child (or children).

Thanks
Gina Taggart
